## *Message from the Chairman*

Dear Students and Guardians,

It's my pleasure to note that while you are going to embark on the challenging but rewarding journey of higher study, you have considered joining MDC, a QAA accredited campus in local area to ensure 'Learn Locally, Fit Globally'. Its quality is recognized with the Quality Assurance and Accreditation (QAA) certificate by the University Grants Commission, Kathmandu, Nepal on 13 December, 2017 (AD).

MDC is a non-profit making community campus. Since its establishment in 2060 B.S., it has been a leading campus in the vicinity of Sunwal area. Since there is not even a single constituent campus of T.U. in this district, it has been providing quality higher education to the local students at affordable cost. A large section of its student population constitutes economically backward and marginalized communities such as Dalit, Madhesis, Tharu, Muslim, etc.

Relentless efforts of every member of MDC, and support from public and local government have enabled us to reach at the pinnacle of glory. We ensure that use of technology in teaching-learning process, peaceful academic environment, dedicated and resourceful faculty members, provision of scholarship as per scholarship directive, etc. make you feel MDC as a campus of your choice.

## *A Warm Welcome from the Campus Chief*

Dear Prospective Students and Guardians,

It's my great pleasure to welcome you all to Mahakavi Devkota Campus, a campus with rich academic legacy certified with QAA standard and TU affiliated MBS, BBA, BICTE, BBS, BA & B.Ed. Programmes. It endeavors to impart quality education in local level, specially to the marginalized groups. As the campus chief, I ensure that our faculty members and staffs are always resourceful, approachable, considerate and empowering toward students. Use of technology in teaching-learning process, peaceful environment, dedicated and resourceful faculty members, provision of scholarship as per scholarship directive, resourceful library, etc. make you feel MDC as the best campus.

We envision the motto of 'Learn Locally, Fit Globally'. MDC is an academic platform wherein we always strive and aspire to build marketable human resource thereby ensuring overall character development of our students in a world-class teaching learning environment in Nepal. I welcome you to see that we walk the talk.

## Our Philosophy

### Vision

MDC will be an excellent academic center of higher education

### Mission

To develop globally competent and skilled human resources

- ❖ Placement to pass out students
- ❖ Wifi-Free Library and Reading Room
- ❖ Seminar and Multipurpose Hall for ECA programs
- ❖ Transportation Facilities

TU AFFILIATED

**BBA**

MANAGEMENT BASED PROGRAMME

BBA is a four-year (8 Semester), Bachelor level program of FOM under Tribhuvan University. Bachelor of Business Administration (BBA) provides a fundamental education in business and management principles allowing students to specialize in one of multiple concentration areas, including business economics, administration, finance, human resources, or accounting. The programme enables graduates to explore various real life opportunities that help them later in managing companies. It also develops sound professionals with entrepreneurship skills who can run business ventures in a contemporary or international context. So, it is a preparation for a lot more than a career in business and has national importance.

TU AFFILIATED
